13TH SUNDAY IN ORDINARY TIME

Jesus said to the synagogue official, "Do not be afraid; just have faith." When they arrived at the house of the synagogue official, he caught sight of a commotion, people weeping and wailing loudly. So he went in and said to them, "Why this commotion and weeping? The child is not dead but asleep." - Mk 5:36bc, 38-39

St. Joseph Parish is a Stewardship Parish. A Catholic Steward actively participates and is involved with parish ministries, each according to their time and talents. Continue to regularly pray the stewardship prayer. Help us to place You, our loving Creator, first in our lives by becoming more prayerful and more focused on loving and caring for our families and our neighbors in need. Help us to hear Your call to be good stewards of all Your gifts by sharing them to accomplish Your will, that is the coming of Your kingdom here on earth.

PARISH MISSION STATEMENT - "Under the protection of St. Joseph, and ever grateful to the Capuchin Franciscan Friars, we strive to foster a deeper relationship with Jesus Christ through prayer, worship and the celebration of the Sacraments. We are dedicated to love and care for all God's people in their physical, educational and spiritual needs through the stewardship of time, talent and treasure."

As of July 1, 2021, Fr. Andy Hammeke will be chaplain of the Comeau Campus Center and all scheduling of Masses for the Campus will be handled through him. St. Joseph will no longer print Mass intentions for the Campus in the bulletin.

There will be NO MASSES the week of Tuesday, July 6 - Saturday morning, July 10th. Fr. Rich will be out of town.

Fr. Matthew's Good-bye

I arrived to St. Joe and the Comeau Catholic Campus Center here in Hays a little over a year ago, nervous and not fully knowing what to expect.

What I was met with is a vibrant Catholic Christian parish that welcomed me with open arms. I'll never forget the love and kindness shown me by the people here in Western Kansas. If in Norton and wherever else the good Lord will call me in the future, the people are half as good to me as they've been here in Hays, then I'll have nothing to worry about in ministry.

The priest up in Norton and New Almelo is going back home to India, and Bishop Vincke had a hole that needed to be filled. A few months ago Bishop met with me and asked me if I were happy here in Hays and I said yes. He asked me if I'd be willing to transfer to Norton and I said if it were for the good of the Diocese, then yes.

As always I ask you for your prayers, begging the good Lord to grant me the grace and strength to persevere in the priestly promises and priestly ministry.

Please welcome Fr. Rich and Fr. Andy as you welcomed me, and say prayers for them too. God bless you all.

Fr. Matthew

GOSPEL REFLECTION

"God did not make death ...for he fashioned all things that they might have being." This line from the first reading is not only an assertion that tells us something about God; it is a mandate for his people to stand against the power of death and to defend and promote life. Likewise, the raising of the dead girl to life, recounted in the Gospel passage, is not simply a story about what Jesus did; it is a summons to his people to do it again and again as they build a Culture of Life in the world.

One could ask, in the face of miracles like the raising of the dead, why Jesus did not do it more frequently. The answer is that his miracle was a sign of the meaning of his mission and ours. His occasional raising of the dead reveals the meaning of everything he is doing at every moment. He is reconciling humanity to God, and hence destroying the very source of death. In the end, all will rise – but they are called first to come to Christ, who is Life itself, and embrace that gift of natural and supernatural life.

We can say, therefore, that the pro-life movement is not simply a response to Roe vs. Wade. Rather, the pro-life movement is a response to Jesus Christ. God is in the business of destroying death, and has done so through Christ. To stand with Christ is to stand with life, and therefore to stand against whatever destroys it. Nothing in our world destroys more life than abortion.

Some wonder why we would preach about abortion at Mass, or be concerned about what, in the eyes of some, is none of our business. Yet it is our business, because we serve a God who destroys death. We are the People of God and the People of Life. It is the business of love to save human lives. In the Mass, we literally touch the victory of life over death. What can be a more appropriate time and place to talk about it?
