“Come to me, all you who labor and are burdened, and I will give you rest.” - Mt 11:28

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

St. Joseph Parish is a Stewardship Parish. A Catholic Steward actively participates and is involved with parish ministries, each according to their time and talents. Continue to regularly pray the stewardship prayer. Help us to place You, our loving Creator, first in our lives by becoming more prayerful and more focused on loving and caring for our families and our neighbors in need. Help us to hear Your call to be good stewards of all Your gifts by sharing them to accomplish Your will, that is the coming of Your kingdom here on earth.

PARISH MISSION STATEMENT - “Under the protection of St. Joseph, and ever grateful to the Capuchin Franciscan Friars, we strive to foster a deeper relationship with Jesus Christ through prayer, worship and the celebration of the Sacraments. We are dedicated to love and care for all God’s people in their physical, educational and spiritual needs through the stewardship of time, talent and treasure.”

Prayer Chain Ministry: To place a prayer intention on the prayer chain, please call Mary Schroeder at 785-445-0098 or email at: weewisdom@gmail.com

What a year it has been with you. It really went too fast, and it was kind of shortened by two months because of the Coronavirus. I am so grateful for the time that I had with you. My desire is to stay and get to know you all the more because I was finally getting into the groove of things. Yet, what is the best about my new assignment is that I'm still in the city and just down the street. Thank you for all that you have taught me in my third year of priesthood, especially in encouraging me in my preaching, and

showing me a daily community in prayer. You have generously shown me your appreciation over and over. Keep loving others and keep praying for priests that we may not lose zeal for souls. Know of my continued prayers for you and know of my love for you. I will truly miss my day-to-day life with you. Feel free to contact me at ryana.mccandless@gmail.com

PASTOR'S NOTES

Sacrosanctum,

The Constitution on the Sacred Liturgy, Vatican II, Series, Part 3

Fr. Brian Lager

3. Wherefore the sacred Council judges that the following principles concerning the promotion and reform of the liturgy should be called to mind, and that practical norms should be established.

Among these principles and norms there are some which can and should be applied both to the Roman rite and also to all the other rites. The practical norms which follow, however, should be taken as applying only to the Roman rite, except for those which, in the very nature of things, affect other rites as well.

4. Lastly, in faithful obedience to tradition, the sacred Council declares that holy Mother Church holds all lawfully acknowledged rites to be of equal right and dignity; that she wishes to preserve them in the future and to foster them in every way. The Council also desires that, where necessary, the rites be revised carefully in the light of sound tradition, and that they be given new vigor to meet the circumstances and needs of modern times. Some of you that grew up on a farm remember the old milk stool. It would often have three legs supporting the seat upon which the person would sit in order to milk the cows. If one of those legs was missing it would become unbalanced and the person sitting upon it would topple over, (or if an ornery sibling would kick it out from under them). The Church has 3 legs upon which she sits in order to prevent Her from toppling over. Sacred Scripture, Sacred Tradition, and the Magisterium (the teaching authority) are the legs upon which the Church is held up. The word tradition comes from the Latin *tradere* which means to hand down or to hand over. Tradition is handed down to us not to be manipulated how we want to perceive it, but to be safeguarded so that the truths of our faith may continue to be handed down to the next generation and the teachings of Jesus may be properly passed on and understood as well.

When it comes to the traditions in the Liturgy it is important to hand them down so that Jesus may be handed on as He has been handed on to us. In the Liturgy we come to know the living Jesus in which we participate in the new covenant that He has given us. The liturgy is passed on in the different cultures throughout the world and thus different liturgical rites came about to show the people they were evangelizing Jesus Himself.

The Catechism lists seven rites. These rites so listed: Latin, Byzantine, Alexandrian, Syriac, Armenian, Maronite, and Chaldean, are actually families of liturgical expression. These rites are the descendants of the liturgical practices that originated in centers of Rome, Antioch, and Alexandria.

We are members of the Latin Rite because our ancestors were evangelized by members of the Latin Rite. Sometimes we refer to the Latin Rite as the Roman Rite. As descendants of this liturgical tradition the liturgy has been handed down to us in a specific way and this document desired to reform the liturgy within this tradition to give it a "new vigor" as it states. In the following articles we will continue to see what those changes would be. You will be surprised by what it does say, and what it doesn't say.
