St. Joseph Parish is a Stewardship Parish. A Catholic Steward actively participates and is involved with parish ministries, each according to their time and talents. Continue to regularly pray the stewardship prayer. Help us to place You, our loving Creator, first in our lives by becoming more prayerful and more focused on loving and caring for our families and our neighbors in need. Help us to hear Your call to be good stewards of all Your gifts by sharing them to accomplish Your will, that is the coming of Your kingdom here on earth.

PARISH MISSION STATEMENT - "Under the protection of St. Joseph, and ever grateful to the Capuchin Franciscan Friars, we strive to foster a deeper relationship with Jesus Christ through prayer, worship and the celebration of the Sacraments. We are dedicated to love and care for all God's people in their physical, educational and spiritual needs through the stewardship of time, talent and treasure."

Pastor's Notes

Fr. Brian Lager

Stewardship is the grateful response of a Christian disciple who recognizes and receives God's gifts and shares these gifts in love of God and neighbor. The foundation of the spiritual life is rooted in gratitude, the disciple is one who is covered in the dust of his or her master, we receive the gifts God gives us and are called to share those gifts with others. A deeper understanding of stewardship reveals four pillars it is built upon: Hospitality, Prayer, Formation, and Service. I would like to spend a few weeks speaking about these pillars of Stewardship.

Hospitality is the virtue of kindness and generosity toward guests. It is characterized by the spirit of welcome to visitors and strangers, and is one of the conditions for salvation, foretold by Christ: "I was a stranger and you made me welcome" (Matthew 25:36)

Hospitality has deeply biblical roots. Looking in Genesis we see Abraham offering hospitality to three strangers who approach his tent. He ran out to greet them and offered them a lavish meal only to learn later that they were God's messengers sent to reveal to him his wife Sarah was to have a child. Hospitality in the biblical world was more than being polite or friendly. There were few inns and hotels for travelers to stay in and so they relied on complete strangers to host them. Hospitality was necessary, yet precarious as you could imagine having strangers staying near you. "If your enemy is hungry, give him bread to eat; and if he is thirsty, give him water to drink; for you will heap coals of fire on his head, and the Lord will reward you" (Prov. 25:21-22).

There was a sacred obligation for hosts to provide food, drink, and water to wash their feet. The guest was obligated to accept what was placed before them. Refusal on either's part was a serious breach of honor. The Israelites were travelers in a foreign country for many years and they knew how much they were dependent on the hospitality of others. Other Mosaic laws instructed the community on how strangers who stayed for a length of time should fit into the society. They were to participate in sacrifices and allowed to celebrate feasts. They were welcome to glean the fields. In return, guests were expected to follow the laws of Israel as long as they abided there (cf. Lev. 17:12-13; 18:26; 19:10; Num. 15:16). The Mosaic law required them to be gracious hosts to other foreigners and travelers as well. Yet despite these laws requiring generosity toward strangers, there was still a distance to be kept. Marrying a foreigner was frowned upon if not forbidden, and outsiders were not to eat "holy things" (Lev. 22:10, 12).

That distance was bridged by Christ. In the New Testament, when Paul calls on the early Christians to show hospitality to strangers, he links hospitality to Christ's commandment to love, which is the New Law. Paul, perhaps thinking of Abraham, writes, "Let brotherly love continue. Do not neglect to show hospitality to strangers, for thereby some have entertained angels unawares" (Heb. 13:1-2). Paul's encouragement of brotherly love implies that the distance between the foreigner and host can be bridged. For the Christian, the stranger is also a brother or a neighbor who represents Christ and who also may be a messenger from God. In the story of the Good Samaritan, Christ broadens

the concept of "neighbor" to define it more by actions than by proximity.

This New Law, as the *Catechism of the Catholic Church* points out, fulfills and perfects the Old Law. It does not add to or abolish the Old Law but "proceeds to reform the heart, the root of human acts, where man chooses between the pure and the impure, where faith, hope, and charity are formed and with them the other virtues. The gospel thus brings the law to its fullness through imitation of the perfection of the heavenly Father, through forgiveness of enemies and prayer for persecutors, in emulation of the divine generosity" (CCC 1968).

Christ's commandment to love one another as he loves deepens the understanding of neighborly love with which the Jews were familiar. Jesus not only says, "Love your neighbor as yourself" but invites us to love as he loves: "This is my commandment, that you love one another as I have loved you. Greater love has no man than this, that a man lay down his life for his friends" (John 15:12-13). Christ includes even enemies when he says, "Love your enemies and pray for those who persecute you, so that you may be sons of your Father who is in heaven" (Matt. 5:44-45).

Hospitality shares the gift of ourselves with one another. It looks past our differences and welcomes the stranger. It is easy to judge a person by how they look but let us remember that every person is created in the image and likeness of God and deserves our respect. It is also easy for us to say "that is someone else's job". Let us recall that it is each and every one of us that is called to stewardship and thus to hospitality. Loving our neighbor includes the person whom we don't get along with, as well as the person that is already a friend. May we all be more willing to step outside of our comfort zone and be welcoming to all people and show Christ's love to every person that we encounter.

RCIA UPDATE

Back in September Fr. Ryan began to teach three people who have been inquiring about the Catholic faith through the RCIA process. These three have been attending Tuesday night catechesis on various topics regarding the faith. Now, these three are asking to seek acceptance into the Order of Catechumens or as a Candidate through the Rite of Acceptance. During this Rite, the inquirers will stand with their sponsors amidst the parish community and state that he or she has the desire to become a baptized member of the Catholic Church or a desire to profess full communion with the Catholic Church. The parish assembly affirms this desire and the inquirer becomes a Catechumen or Candidate respectively.

After the homily during the 10:30am Mass, this weekend, February 9th, we will be accepting the entrance into the Catechumenate two men: Levi Wilkens and Johnny Fuller, Jr.. We will also be welcoming Haley George as a Candidate for full profession of the Catholic faith. All three will continue formation through the RCIA process. The next step for the Catechumens will be the request for baptism and the celebration of the Rite of Election which includes the enrollment of names of all the Catechumens of the Salina Diocese seeking baptism at the coming Easter Vigil. On March 8, the Catechumens, their sponsors and families, will gather at the Immaculate Heart of Mary Church in Hays, KS where the Catechumens will publicly express their desire for baptism to the diocesan bishop. Their names will be recorded in a book and they will be called the Elect.

Please continue to pray for these wonderful people as they grow in knowledge of the faith and draw closer to Christ in friendship with Him and His saints.

Reflections on Stewardship in light of the Gospel of Matthew

"Jesus told the parable, 'A sower went out to sow...some seed fell on the path, and the birds came and ate it up. Some fell on rocky ground, where it had little soil...Some seed fell among thorns, and the thorns grew up and choked it. But some seed fell on rich soil, and produced fruit...' (Matthew 13:1-9)

In the parable of the sower, Jesus tells us about the way he gives out his gifts, particularly the gift of the Word of God. Jesus might say, "I know that in you there are foot-paths and some rocky ground and some thorns. But I also know that there is some good soil. And where I sow, I sow lavishly."

The seed of the Word of God falls upon me, and when it finds good soil, it grows and develops into God's kingdom – a kingdom of peace, justice, truth and love. A kingdom where all people and all creation come together.

I need to make sure I am not letting the seed of the Word of God bounce off my life, like seed hitting a sidewalk...or by taking it superficially as I might scan a newspaper article...or letting other concerns in my life choke it out, as happens when I try to do two things at once.

Lord, let me take in your Word and let it work its wonders within me.

Stewardship is a leap of faith in real-life situations. *Spend some quiet time with the Lord*

QUESTION & ANSWER "Parish Registrsation"

Question: Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?

Answer: Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled. Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish. ©LPi

STEWARDSHIP REFLECTIONS

Today's readings are part pep talk and part marching orders for us Christian stewards. They offer wonderfully clear guidance on what matters most to God in the way we prioritize our lives and the way He intends for us to use the gifts He has given us.

The first reading, from the prophet Isaiah, gives us very straightforward instructions: "Thus says the Lord: Share your bread with the hungry, shelter the oppressed and the homeless; clothe the naked when you see them, and do not turn your back on your own." The Lord gives no wiggle room here — care for our brothers and sisters in need is a "must do" for the Christian steward.

But note how generous our God is to us when we do these things. "Then your light shall break forth like the dawn and your wound shall quickly be healed." The more we give ourselves away the more we will find ourselves, and "light shall rise" for us in the form of more of God's grace in our lives and more joy and peace in our hearts.

Our Gospel passage, from Matthew sends us out on our stewardship way with a bang as Jesus declares to us, His disciples, that we are the "salt of the earth" and the "light of the world." But, He adds, salt no longer gives flavor if allowed to go stale — light cannot bring its blessed brightness if left hidden. Therefore, we must act! We must live our lives so that others will see the things that we do — the ways that we serve others, care for the vulnerable, prioritize our family relationships and above all, our love for God — and then give Him glory.

This is the stewardship way of life. Let's give it our all!

STEWARDSHIP PRAYER

God our Father, You are the source of life and every blessing. All that we have comes from You. Help us to walk in your ways as faithful disciples of Jesus. As good stewards of your many blessings teach us to receive your gifts gratefully, cultivate them responsibly, share them in justice and love with others, and return them with increase to You, our Father. We ask this through Christ our Lord, who came that we might have life, and have it abundantly. Amen
